
Order Now

How Does this Work?

Make the payment at our office.

Send the following details to support@shwe.net

- Your Order ID / Receipt Id. [more...](#)
- Your domain name to be setup with google apps. [more...](#)
- Your google apps admin login details (if already signup with google apps). [more...](#)
- Your domain control panel login details with login URL. [more...](#)
- Your hosting account control panel login details with login URL if any. [more...](#)
- Special Instructions if any. [more...](#)

Once the details are sent, you will be provided with account details to login into our support central, submit and manage your tickets. [more...](#)

If you have any queries before you submit, you can speak to our live technical support team.

Once the following details are submitted, Google Apps will be setup for your domain name and same will be reverted back to your email address.

Setup might generally take less than 30 min to 16hrs based on our availability & timings.
